

# ROYAL BALLET SCHOOL

## Aims & Ethos of the School

---

The Aims & Ethos of the School are overtly expressed in the School's Vision, Mission and Values which are reviewed in line with the School's business plan on a three-yearly basis.

The intention of the School is to embed our Vision, Mission and Values into the culture of the School. This is achieved by the pro-active dissemination of these key principles to all staff and other stakeholders, by taking decisions at Senior Leadership Team level that are informed by these principles and by the encouragement of this practice at all levels in the organisation by cascading the rationale for decisions in this context within each department or operation area of the School.

Our **vision** is to be the best classical ballet school in the world.

Our **mission** is to nurture, train and educate exceptional young dancers for the Royal Ballet companies and other leading UK and international companies and to inspire the future of classical ballet training.

Our **values**:
